### ◀ Frost Bite

You know those situations where you're forced to choose between sex and an ice cream sandwich? These little squares of joy consist of a seasonal flavor—think pluot, pear caramel, cherry chocolate—between plain, ginger, or chocolate wafers. Nuff said. **(Frog Hollow Farm ice cream sandwiches, originally \$145 per dozen, now 20 percent off with code OPRAH; froghollow.com)**

### The Sweet Spot ▶

When life gives you lemons and berries, let them be in the form of a truly scrumptious tart, with a buttery crust and either creamy lemon curd or fresh blueberry filling. **(\$45 each; indigojoneseats.com)**

### Cut-and-Dried ▶

Crunchy disks of 100 percent natural dehydrated fruit—some dipped in chocolate, some plain, all bittersweet—are almost too pretty to eat! Serve them with tea and dazzle your guests. **(Dardimans California assorted fruit crisp compartment box, originally \$60, now 20 percent off with code OPRAH; dardimans.com)**

### Four Play

What do you get when you put a serving board, Singing Brook and brebis cheeses, pickled okra, strawberry-rhubarb jam, charcuterie, and a spreader in one delectable set? A perfect picnic for you and three friends! **(Farmstead entertaining essentials for four, originally \$95, now 20 percent off with code OPRAH; blackberryfarmshop.com)**

### I See France

Shipped frozen, these sinfully good croissants, filled with a blend of porcini mushrooms, mascarpone cheese, and truffle oil, can be baked at home whenever you feel like brunching on the Left Bank. **(Le Marais truffle croissants, \$60 for ten; williams-sonoma.com)**

### That's My Jam ▶

The evergreen blackberry's small yield means it's seldom sold commercially. It also means these luscious preserves are a major treat when paired with cheese, toast, vanilla ice cream—or a spoon. **(Regalis Wild preserves, originally \$19 each, now 20 percent off with code OPRAH; regalisfoods.com)**

### ◀ Hot Off the Press

Not all olive oils are created equal. Awake is made with heirloom Coratina olives, herbaceous and bright. Alive comes from heirloom Coratina and Frantoio olives, nutty and smooth. Both are harvested in a certified-organic California mill and packaged to perfection. **(The Duo, \$74; brightland.co)**

### ◀ Tender Loving Rare

Prediction: You will taste this melt-in-your-mouth, smoked low-and-slow brisket and feel a little sad for all those years you lived without it. Then you will make up for lost time! **(Texas prime brisket, originally \$185, now 20 percent off with code OPRAH; hutchinsbbq.com)**

### The Rich Get Richer

No campfire and ghost stories needed to enjoy the season's most nostalgic treats. These Maman s'mores cookies, baked daily with Guittard chocolate, toasted marshmallows, and Annie's bunny grahams, are sublime anytime, anywhere. **(Originally \$45 per dozen, now 20 percent off with code OPRAH; mamannyc.com)**

### ◀ Fake It till You Bake It

When you join Courtney's Cake Club, a box with a recipe card, premeasured ingredients, a cake topper, and more shows up every month to make your family worry you've been replaced by an impostor who can actually bake. **(Single cake box, originally \$55, now 20 percent off with code OPRAH; shop.cakebycourtney.com)**

### Think Pink

Why wine when you can sip an icy glass of raspberry apple cider? Westwind Orchard grows the fruit, then turns it into a light, crisp, beautifully balanced drink that's heaven on a hot day. **(Originally \$25, now 20 percent off with code OPRAH; westwindorchard.com)**
